Re: West Ridge Mine C/007/041
Change of Maps 5-5 and 7-2

Dear Mr. Haddock:

Enclosed are six clean copies of Map 5-5 (surface facility map) and Map 7-2 (surface drainage map) showing two gas pumps now located across from the shop, and the extended culvert nearby. These pumps are part of the methane extraction system. The units are skid mounted and mobile and therefore not considered permanent installations for bonding purposes.

If you have questions or comments please contact me at (435) 888-4017.

Sincerely,

David Shaver
Resident Agent
